AREA II COMMAND POLICY #13-2

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Command Policy Statement – Equal Employment Opportunity (EEO) and Affirmative Employment Program

References:

- a. AR 690-12, Equal Employment Opportunity and Affirmative Action
 - b. IMA KORO Policy #19, Equal Employment Opportunity and Affirmative Employment, dated 3 January 2005
1. I am firmly committed to the Equal Employment Opportunity (EEO) program and the policies established by the Department of the Army.
 2. This program has my personal and unwavering support and I expect the same commitment from all managers, and supervisors of Area II Support Activity. To expect less comes at a high cost, i.e. low morale, low productivity, and the inability to effectively accomplish our mission. Our mission and readiness require the complete support of EEO policy.
 3. As members of my team, I must require your commitment and support, through positive actions in creating a work place free of unlawful discrimination. Let us accept our responsibilities with pride, dignity, and consideration of others.
